Absent: Lib Patricelli, Jack Clements, Tim Thebert

General Membership:

Reading and approval of March general meeting minutes.

Phil Erickson made a motion to approve the February general meeting minutes as posted in the newsletter.

John Griffin 2nd the motion.

No opposing votes. Motion carried.

Laura Ballard gave the treasurers report.

John Thimmesch made a motion to accept the treasurer's report.

Continued from page 3

Phil Erickson 2nd the motion.

No opposing votes. Motion carried.

Reports of standing committees, Officers and Trustees:

**John Thimmesch:** The new pop machine is here, hooked up and running great. Got a name from Steve about a container, but has not gotten a chance to contact him. Jim commented that the grounds have been measured and staked. We still need to finish getting all the poles and signs put up around the club. Don Akers, a rep from many of the waterfowl foundations is asking to use the club on July 15th. We need to check the calendar before approving this date, but it should be okay.

**Jim Locke:** The woman's pistol class is filling up fast. There are only three more spots left. Working with Bill Davis on the backstops at the pistol range. Looking at just fixing the one that's damaged, and then get a plan together for a more permanent fix. Also looking at other ways to get a profit from the rifle/pistol ranges. Would like to see about a different display case for the accessories we have in the clubhouse.

**Phil Erickson:** We need to re-evaluate our inventory to see what we move and don't move, to see what we should keep on hand. On behalf of Jack Clements: Enumclaw would like the range on April 19th and 20th from 8am-4pm. Cork Carpenter made a motion to allow Enumclaw PD the dates above. John Griffin 2nd the motion. No opposing votes. Motion carried.

**Cork Carpenter:** Just wanted to let the board know that we should look at making the 200 yd range a little

more accessible for fill dirt because it is getting harder and harder for construction companies to find places to dump dirt.

**Marion Dukes:** Mary-Jane Carter, the lady that does the cashiering for the PITA shoots lost her husband.

Need to get the add for the State shoot program done and sent off. John Thimmesch said he thought we already did it, but was going to double check.

**Adam Oster:** The second key for the post office I had doesn't work. John is going to get with Jim Forczek and go to the post office to get his name off of the paperwork and put me on the paper work. At the same time he will get a second key for Jim Locke.

**Laura Ballard:** The website is doing very well and gets about 23 hits a day on average.

**John Griffin:** The guy we have to do the Hunters Ed classes needs to have at least ten people signed up before he can put on a class. If anyone would like to sign up, please inquire at the club.

**Bill Davis** won the kitty in the amount of \$9.00 dollars.

**Marion Dukes** made a motion to adjourn.

**Jim Locke** 2nd the motion.

No opposing votes. Motion carried.

Meeting adjourned at 8:40pm.

Respectfully Submitted

Adam Oster

Please check your newsletter carefully for range closures. Closures are listed on the monthly calendar and in the section titled Range Closures. It is best to check in both places for closures. Sometimes the phrase “Range Closed” is omitted on the calendar due to the limited space in the individual calendar date blocks. The club is always closed during Law Enforcement agency use. Note that the rifle/pistol ranges are closed for shooting during the Continental League and PITA shoots whether it is listed on the calendar or not. This is a courtesy to shooters paying entry fees and shooting for trophies. Please check the Range Closure section for all scheduled range closures.
