****Please Note this month, the police dates have not been confirmed and may change, check the website for corrected dates**

Please check your newsletter carefully for range closures. Closures are listed on the monthly calendar and in the section titled Range Closures. It is best to check in both places for closures. Sometimes the phrase “Range Closed” is omitted on the calendar due to the limited space in the individual calendar date blocks. The club is always closed during Law Enforcement agency use. Note that the rifle/pistol ranges are closed for shooting during the Continental League and PITA shoots whether it is listed on the calendar or not. This is a courtesy to shooters paying entry fees and shooting for trophies. Please check the Range Closure section for all scheduled range closures. If you mistakenly remove the “Range Closed” sign at the gate, please replace it immediately.
