

# Civilian Marksmanship Program

## Service Rifle Match Shoot

The Garand Match is a unique competition where shooters fire older “as-issued” military rifles over a course of fire that makes target shooting attractive to the average shooter. The availability of surplus M1 and other older military rifle make target shooting accessible to thousands of shooters, many of whom do not participate in traditional target competitions. The Garand Match allows

shooters to reenact military and marksman-history and features camaraderie and a relaxed, fun-filled, yet challenging experience.
