Black Diamond Gun Club General Meeting January 16, 2007

Continued from page 3

There is no Treasurers report at this time as we have a change of treasurers.

Reports of Officers and Trustees:

John Thimmesch: The truck that Rich Pogue donated to the gun club is not able to get a license on it. So any repairs that ever need to be done, we will have to get a trip permit in order to take it off the club grounds. Continental shoot on Sunday Jan. 21st. On Friday Jan. 19th, there will be a work

party at 10am to load trap houses with orange targets and get things ready for the shoot. John wants to get in touch with Clete about who is going to fix the glu-lam at the rifle/pistol range. Jim brought up the point that whoever does this if it is going to be an outside person, that all safety precautions are taken. Steve said he has a couple people in mind and will get in contact with them and get some prices. John also reported that Don Morin has requested a Life Membership. He meets all the requirements. John made a motion that we accept his application for Life Membership. Steve 2nd the motion. No opposing votes. Motion carried.

Meeting called to order at 7:35pm by Steve Reinhart.

Roll call of Officers and Trustees:

Present: Steve Reinhart, Jim Locke, Laura Ballard, Adam Oster, John Thimmesch, Phil Erickson, Marion Dukes, Jack Clements, Cork Carpenter, John Griffin

Absent: Lib Patricelli, Tim Thibert, George Smith

Reading and approval of December General Meeting.

John Thimmesch made a motion to accept the December general meeting minutes as posted in the newsletter.

Phil Erickson 2nd the motion.

No opposing votes. Motion carried.

Treasurers report.

Steve Reinhart: Working on putting together a corporate shoot. These kind of shoots usually happen during the week, so we will have to find someone who can man this. Also been in contact with Seattle Skeet and Trap and has gotten a lot of info regarding this type of event. Steve is going to see about going to the next one they put on to see how they work, and what all goes into putting a shoot like this on.

Phil Erickson: An NRA range source book on CD has been donated to the gun club. This provides info on safety and designing of rifle and pistol ranges. Also got a copy of the site map for the new residential housing going up in Black Diamond.

Jim Locke: Jim asked about getting a project list put together of items that need and should be done around the club. Also would like to see a budget proposal. Jim made a suggestion of putting a committee together for the rifle/pistol range, trap, and the clubhouse to take care of odds and ends, so it isn't always the same people doing all the work. Made a suggestion of getting in contact with some of the builders that are building homes near the club and get addresses of new homes to send letters introducing the gun club and inviting those people to come out to the club and see what we do.

Good of the order in the amount of \$100.00 dollars would have been won by Richard Denis, had he been present.

The kitty in the amount \$10.00 dollars was won by Bill Davis.

Marion Dukes made a motion to adjourn.

Jim Locke 2nd the motion.

No opposing votes. Motion carried.

Meeting adjourned at 9:20pm

Respectfully submitted

Adam Oster

Secretary

***Note: Entire club is closed during police events**

****Please Note this month, the police dates have not been confirmed and may change, check the website for corrected dates**

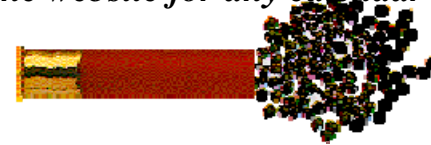

Please check your newsletter carefully for range closures. Closures are listed on the monthly calendar and in the section titled Range Closures. It is best to check in both places for closures. Sometimes the phrase “Range Closed” is omitted on the calendar due to the limited space in the individual calendar date blocks. The club is always closed during Law Enforcement agency use. Note that the rifle/pistol ranges are closed for shooting during the Continental League and PITA shoots whether it is listed on the calendar or not. This is a courtesy to shooters paying entry fees and shooting for trophies. Please check the Range Closure section for all scheduled range closures. If you mistakenly remove the “Range Closed” sign at the gate, please replace it immediately.
